

# Got 2 B Luv

## Bottlefly

I've got money in my pocket, I've got loving in the air  
There is nothing that will stop me and I really just don't care  
I just wanna live my life that's the way it's gonna be  
And nothing's gonna pull me down 'cause you know that I believe  
The suns gonna  
Shine, shine  
Let the music blow through your mind, yeah  
Shine shine(It's got 2 B luv)  
It's got 2 B luv from the very start  
It's got to be love not a broken heart  
(It's got 2 B luv)  
It's got 2 B luv my one true desire  
You know you set my world on fire(It's got 2 B luv)  
It's got 2 B luv from the very start  
It's got to be love not a broken heart  
(It's got 2 B luv)  
It's got 2 B luv my one true desire  
You know you set my world on fire  
Feel like jumping in the river or dancing in the rain  
The different places smiling faces, it always make my day  
And all are happy people just following your dream  
'Cause everything you want is not a fly by fantasy  
The suns gonna  
Shine, shine  
Let the music blow through your mind yeah  
Shine, shine(It's got 2 B luv)  
It's got 2 B luv from the very start  
It's got to be love not a broken heart  
(It's got 2 B luv)

You know you set my world on fire(It's got 2 B luv)
