

A King at Night

Bonnie 'Prince' Billy

There is grime on my face
There is crust in my eye
There is no one in this place
But no one said goodbye This is how I start
Another day in my kingdom There is hate in my heart
This is how my day starts
There is blood in my hands
From the murder of a man This is how I start
Another day in my kingdom
This is how I start
Another day in my kingdom And where is my queen
She's as gone as can be
She was a fine lookin' lady
And she liked to go down on me And I liked to go down on her too
In India there's the Taj
On good times there was Rog
And here look and see, all there is is me This is how I start
Another day in my kingdom
This is how I start
Another day in my kingdom There are good times to be had
Only insanes really bad
The Lord and I agree
It's not too off to be what we are As long as were royalty
You fuck and what's to do
(You fuck)
It's not your kingdom too
