Gentle Hum

Finn Brothers

This bird has to sing
My heart has to follow
A man with no soul
Is wooden and hollowThis gentle hum
Is just begun
This gentle hum
Make us oneMy wish is for you
An end to your sorrow
And if it comes true
You'll wake up tomorrow aloneWith a gentle hum
Is just begun
This gentle hum
Will make us oneThere, for anyone who cares
Solemn faces in the courtroom stareAnd this gentle hum
We'll wake up tomorrow
With a gentle hum
This gentle humThis gentle hum
(This gentle hum, coming up from before)
Will make us one
(Find a loving feeling, inside)
This gentle hum
(This gentle hum, bringing it back to me)
Is just begun
(Find a loving feeling in your life)
