Enough Is Enough (remastered)

Coco Montoya

There's a pain in my mind
And baby, we both know why
Think it over and over
It adds up to one big lie
You may not know it, baby
But you've been leavin' lots of blues
Well, enough is enough
This time I ain't gonna lose
I hear what you're sayin'
And the words go down like fine wine
But my heart's feelin' heavy [unverified]
Like I just drank some turpentine
Try to make me a fool
From my head down to my shoes
Well, enough is enough
This time I ain't gonna lose
I let it slide one time before
You didn't think I knew
It never was a secret girl
That you lay down like you do
Don't you stumble now baby
But you're walking a very fine line
Might as well admit it girl
You caused a serious crime
I got no pity for you
Even when you start cryin' the blues
But enough is enough
This time I ain't gonna lose
I said, enough is enough
This time I ain't gonna lose
