San Francisco

Johnny Hallyday

If you're going to San Francisco
Be sure to wear some flowers in your hair
If you're going to San Francisco
You're gonna meet some gentle people thereFor those who come to San Francisco
Summertime will be a love-in there
In the streets of San Francisco
Gentle people with flowers in their hairAll across the nation such a strange vibration
People in motion
There's a whole generation with a new explanation
People in motion people in motionFor those who come to San Francisco
Be sure to wear some flowers in your hair
If you come to San Francisco
Summertime will be a love-in there
