Right Here - Human Nature Radio Mix

SWV

Lately, there seems to be
Some insecurities
About the way I feel
Where I want to be

Boy, you know it's with you
No one can do
The things you do to me
Never to be mistaken

Long as it's love we're making
There'll be no hesitating, you and me.
That's the way it will be
And I won't leave your side
You should know...

[Chorus:]
Love will be right here, be right here
Right here, be right here
(Don't you have no) No fear, have no fear
(Don't shed) no tears, love is here

True love some don't believe in
That's just what I'm giving
I'm gonna keep it strong
I'll be holding on to you.

No on can do me like you do, it's true
Sure as the sun is shining
Our love will keep on climbing
There's gonna be some rain, gonna be some pain

But as long as I know
Boy, time will show
Our love will grow, and I know...

[Chorus]

[Bridge:]
Won't let go. You should know this thing is real

No questions, just listen to you heart and
Love will be right...

[Rap-Taj]
Baby, what's the problem
It's seems like we're having trouble
You don't seem to understand
The life I lead ain't double

My heart belongs to you, and only you
And you know it's true
A phony imitation just won't do
Relax your mind

I'm not the kind who runs around
And wastes time, other fine brothers just don't compare
I'll be there, I swear, far or near, have no fear
I don't care, you can count on me, I'm right here

[Repeat Chorus]
