Nightwish

Nightwish

Oh, setting sun
Thy red rays maketh me cry
They remind me of the one
Whose love awaits me in the sky
A bridal bed awaits us both
After the landscape of death I cross
Before my sorrows I must die
Nightwish I send through the starlit sky
The voice of nightly winds has awakened me
Amidst all the grief they embrace me with relief
Beneath my dreams and wishes
I long for thy caresses
A bridal bed awaits us both

After the landscape of death I cross
Before my sorrows I must die
Nightwish, I send through the starlit sky
Passed away in silence
The flute from the realm unseen
Empties its heart, making love to me
With its enchanting melody
Light of Orion, shadow of Andromeda
Call of the dancing universe
Their love I must enter
Before thou can blame my soul
That is peace
