Life Goes On

Gillan

I have had enough of this here life of fun
There have been too many of those days in the sun
I am just one
Soon I'll bee none
Life goes on
Life goes on
Who do you pray for
The living or the dead or the dreams in your head
You know it's hurting me now
It's causing me pain
I can't go through it again
It must be better on the other side
Where your head is held
In hands so soft
You know you're part of
Someone else's plansI am so depressed I must be in a bad dream
There is no use thinking of what might have been
I am just one
Soon I'll be none
Life goes on
Life goes on
Who shall I stay for
Offer me a hand and I'll be your man
Oh yes it's hurting inside
Causing me pain
I can't go thru' it again
It must be better on the other side
Where the cool and gentle water
Eases your earthly pain
And doesn't try to explain
