Pass Out

Kd Rusha

Hook:
Runnin through these checks
Til I pass out
I'm gone ball out
Nigga I'm gone ball out (yeah)
Runnin through these checks
Til I pass out
I'm gone ball out
Nigga I'm gone ball out

Verse:
Came from the bottom nigga no elevation
Gotta work now cuz time racin
Like tick tock got two clocks
One on the whip and one on the watch uh
Y'all niggas don't phase me uh
All cool all gravy yeah
Do I look like a chess piece nah
Nigga please don't play me
I got bread to make, Shows to kill
I be raising rappers like Uncle Phil
Got too close gotta disappear
If she cop a feel I go Copperfield
In the night time gather all my powers
Want a masterpiece give me two hours
Unstoppable
I be killin flow
These bars crazy
Everybody know I'm

Hook:
Runnin through these checks
Til I pass out
I'm gone ball out
Nigga I'm gone ball out (yeah)
Runnin through these checks
Til I pass out
I'm gone ball out

Nigga I'm gone ball out
