Always Be With You

thesirensfall

ooh, baby
How you make me feel like you do
You're so cool
A lifetime's worth my waiting
You baby
When you know the lovin' is true
You're so fine
That I just can't stop dancing
Baby tell me can you feel it
Don't put up a fight
Destiny is waiting in the starlight
[CHORUS]Baby if I had one wish
It would be to dance like this

And to hold you tight, all night
And always be with you
Try baby,
Try and understand what I do
Don't you cry
'cause you're all I'm wishing for baby
Baby tell me can you feel it
Don't put up a fight
Destiny is waiting in the starlight
[CHORUS]Then
Baby if my wish came true
I would stay and dance with you
