

Always Be With You

[thesirensfall](#)

ooh, baby
How you make me feel like you do
 You're so cool
A lifetime's worth my waiting
 You baby
When you know the lovin' is true
 You're so fine
That I just can't stop dancing
 Baby tell me can you feel it
 Don't put up a fight
Destiny is waiting in the starlight
[CHORUS]Baby if I had one wish
 It would be to dance like this

And to hold you tight, all night
 And always be with you
 Try baby,
 Try and understand what I do
 Don't you cry
'cause you're all I'm wishing for baby
 Baby tell me can you feel it
 Don't put up a fight
Destiny is waiting in the starlight
[CHORUS]Then
 Baby if my wish came true
 I would stay and dance with you
