

I Remember (Painted Palms remix)

Yeastayer

I remember making love on a Sunday
Like throwing hearts in a fresh cut grass in May

Whoa

I remember making out on the airplane
Still afraid of flying, but with you I'd die today

Whoa

I remember the smell of your skin forever
Love us being stupid together You're stuck in my mind

All the time

All the time

All the time I remember Monday making our lives gray
Still don't know what it is that I said

Whoa

I remember thinking this would never end
Even when you're gone your eyes running through my head

Whoa You're stuck in my mind

All the time

All the time

All the time

All the time
