

Flowers in Bloom

[Robin Thicke](#)

All of the flowers in bloom
She took away her sweet love when she died
And all of the flowers have been put into the garage
So now do I dance with these fools All of my life I'm fallen to her heart
Over and over and over again
Though I made her seem lucky in my arms
I promised her love She keeps on knocking but she can't get in
And though I promised her love
She keeps on knocking but she can't get in
And though I promised her love
Over and over and over again, over and over So what do I do with these tears?
She wonders why I get all against her heart
And how can I tell her I love her the way I treat her
Though I made it seem honest more than once
I promised her love, all the flowers in bloom I've never seen such beauty in my life
In all of the daydreams
All of the kids get to play
La la la la la la la
