

Winter Wonderland

Sugarland

Sleigh bells ring, are you listening
In the lane, snow is glistening
A beautiful sight
We're happy tonight
Walking in a winter wonderland
Gone away is the bluebird
Here to stay is the new bird
He sings a love song
As we go along
Walking in a winter wonderland
In the meadow we can build a snowman
And pretend that he is Parson Brown
He'll say "Are you married?"
We'll say "No man"
But you can do the job
When you're in town
Later on, we'll conspire
As we dream by the fire
To face unafraid
The plans that we've made
Walking in a winter wonderland
Play it snowbirds, hey!
In the meadow we can build a snowman
And pretend that he's a circus clown
We'll have lots of fun with mister snowman
Until the other kiddies knock him down
When it snows, ain't it thrilling
Though your nose gets a chilling
We'll frolic and play, the Eskimo way
Walking in a winter wonderland
We'll frolic and play, the Eskimo way
Rockin' on our way to Sugarland
Walking in a winter wonderland
Walking in a winter wonderland
Walking in a
Walking in a winter wonderland
