

# Passing Out

Gisli

When I come home alone late at night  
I watch TV and drink whiskey  
I put a suit on and fix my hair  
And everything's okay

[Chorus:]

I don't want to pass out in the street  
I just want to get home on my feet  
I have got an ego I can't feed  
I wish I was okay (I wish I was okay)  
Oh yeah

I fall asleep sometimes, on the floor  
Fully dressed but still funky  
I wake up thinking  
'Oh what went wrong?  
I wish I was okay

[Chorus]

And I don't want to pass out in the streets  
I just want to get home on my feet  
I have got an ego I can't feed  
I wish I was okay

[Chorus]

Yeah yeah
