

Sha La La

Thin Lizzy

Strange kind of magic call it voodoo
You want the woman oh yes you do
Come on baby let me give it to you
Come on baby you know it's true I want to sha la la la la la la la la la la Black magic woman you've got a hold
Come on baby lose control
I want your body not your soul
Come on baby take my jelly roll I want to sha la la la la la la la la la la
