

Blow My Mind

[Robyn](#)

Blow my mind, blow my mind
Blow my mind, blow my mind
Straight up from the heart, you're my number one
And hey, here's the part, I'm still having fun
It's like you're the cloud underneath my feet
And you're the reason that I breathe
Because you blow my mind, because blow my mind
And the way you're talking, baby, you're so cool
I'll do anything for you
Hey, babe, ravish me, love me till it hurts
Don't you dare to leave, button down my skirt
Kiss me quick, I'm about to burst, patience ain't my thing
And you're the reason that I sing
Because you blow my mind, because blow my mind
And the way you're talking, baby, you're so cool
I'll do anything for you
Unbelievable, ooh, it's such a rush
So incredible, boy, you make me blush
Just keep doing it, throw me into space
And I'll be floating every day
Because you blow my mind, because blow my mind
Because you blow my mind, because blow my mind
And the way you're talking, baby, you're so cool
I'll do anything for you
Yeah, the way you're talking, baby, you're so cool
I'll do anything for you, for you, for you, for you, for you
