

Warm

Darien Martus

It's not a secret, life is hard
Disappointment, all around
But you see that, and still you stay calm
And so warm You're a fire, in the cold night air
A choir, in all the noise out there
Don't know why you're, never scared
Or alone You are warm
Warm
When we're frozen, under the coldest storm
You come runnin', runnin' Let's face it, there's no such thing as fair
Injustice, everywhere
I know you know that, and I know that you care
But you're strong And so warm
Warm
When we're frozen, under the coldest storm
You come runnin' runnin' You are warm
Warm
When we're frozen, under the coldest storm
You come runnin', runnin' You are warm
Warm
