

Tears On the Runway, Pt. 1 (feat. Nylo)

Tyler Carter

Humble as she was, I know she'll see some better days.
And I bet either way, she probably feels so afraid.
Wouldn't hesitate to tell me that I'm fake,
But I guess I couldn't blame her.

She said, "I'm just another beauty queen."
And I know that it seems like I'm a put down
For every fuckin dude in town.
I wanna apologize for every man.
And I wanna kiss your scars until they never happened.

You will escape the tears on the runway.
I won't let you down, down.
You will escape the tears on the runway.
I won't let you down, let you down.

And he won't let me down.
He said to have faith, could've read it off the page.
You're a gentleman cause that's what all the gentlemen say.
I'll bet you talked to me cause you saw
My personality from across the hall.
Does it look like I believe that
It must've been my heart of gold you saw?
Could've spared me all the lies,
Could've just said "hi".

You will escape the tears on the runway.
I won't let you down, down.
You will escape the tears on the runway.
I won't let you down, let you down.

You know I want you, but I, I wanna trust you, but I
You won't take "no" for an answer.
It's been weighing on my mind, just wanna do it right.

You will escape the tears on the runway.
I won't let you down, down.
You will escape the tears on the runway.
I won't let you down, let you down.

Don't let me down, down.
