I'm Just Me

Charley Pride

Down at the railroad station
There's people getting off
Some are going north and some are going south
I'm just going to be goneSome people are born to be takers
Others just want to give
Some people live just to love
But I just love to liveFor I was just born to be exactly what you see
Nothing more or less, I'm not the worst or the best
I just try to be exactly what you see
Today and every day, I'm just meWhen people say that life is rough
I wonder compared to what
Some are wanting more and more's are getting less
I just want what I have gotSome want to live on a hill
Others down by the sea
Some want to live inside high walls
I just want to live freeFor I was just born to be exactly what you see
Nothing more or less, I'm not the worst or the best
I just try to be exactly what you see
Today and every day, I'm just meFor I was just born to be exactly what you see
Today and every day, I'm just me
