

# Lightning

## Whiskey Myers

Losing myself further and further it seems  
Hell I'm burnin a hole  
I'm killin all my dreams  
You came along helped me find my way  
Oh but I'm so far gone now  
Don't know if I'll ever be saved Cause there's lightning in the bottle  
I'm bound to ride away  
That lightning brings my hard times  
That lightning brings my pain  
But I cannot fix it no matter how hard I try  
I'm stuck here in misery  
The wreckage of my life  
Yea I've hit the bottle but not like this before  
Half drunk running around every town  
Every pretty little whore  
More and more I love you  
More and more I hate you just the same  
Oh and I fill you up just to know my pain Cause there's lightning in the bottle  
I'm bound to ride away  
That lightning brings my hard times  
That lightning brings my pain  
But I cannot fix it no matter how hard I try  
I'm stuck here in misery  
The wreckage of my life  
Yea, there's lightning in the bottle  
I'm bound to ride away  
That lightning brings my hard times  
That lightning brings my pain  
But I cannot fix it no matter how hard I try  
I'm stuck here in misery  
The wreckage of my life The wreckage of my life Losing myself further and further it seems  
Hell I'm burnin a hole  
I'm killing all my dreams
