

Reptile (AATCHB)

Nine Inch Nails

She spread herself wide open to let the insects in
She leaves a trail of honey to show me where she's been
She has the blood of reptile just underneath her skin
Seeds from a thousand others drip down from within

Oh my beautiful liar

Oh my precious whore

My disease my infection

I am so impure Devils speak of the ways in which she'll manifest

Angels bleed from the tainted touch of my caress

Need to contaminate to alleviate this loneliness

I now know the depths I reach are limitless

Oh my beautiful liar

Oh my precious whore

My disease my infection

I am so impure Oh my beautiful liar

Oh my precious whore

My disease my infection

I am so impure Oh my beautiful liar

Oh my precious whore

My disease my infection

I am so impure
