

# Gone Fishing

## Syntax-e

I'm gone fishing  
I got me a line  
Nothing I do is gonna make the difference  
So I'm taking the time And you ain't never gonna be happy  
Anyhow, anyway  
So I'm gone fishing  
And I'm going today I'm gone fishing  
Sounds crazy I know  
I know nothing about fishing  
But just watch me go And when my time has come  
I will look back and see  
Peace on the shoreline  
That could have been me You can waste a whole lifetime  
Trying to be  
What you think is expected of you  
But you'll never be free May as well go fishing
