

Right Now (Radio Edit)

Atomic Kitten

Making me feel that I'm wanted
Is making me see that you know what I need
Your breaking the rules 'cause' you want it
there's so much you can do that will make me see that
Making me love and adore you (baby)
Is making the most of the way that I feel
I'm taking a chance moving for you
'cause' when you touch me I just can't believe that its real So come on baby do it to me good now
Do it to me slowly (oh yeah)
Be the one and only (ah ah yeah)
And do it to me right now
Baby, baby Make me believe that you want it
And make me believe that you'll always be true
You better not lie or decieve me
If you do then we're through so it up to you
Take me to places I've never, ever, ever been able to go
You're taking it higher and higher
You know that its so, get it on lets go So come on baby do it to me good now
Do it to me slowly (oh yeah)
Be the one and only (ah ah yeah)
And do it to me right now (do it oh yeah yeah yeah yeah)
And come on baby do it to me good
Do it like you should (oh yeah)
Like you said you would (ah ah yeah)
And do it to me right now (right now) there's a party in my head
But you should have been in bed with me now (what ya say, what ya say, yeah)
Well you started on my head
Better finish what you said to me now (what ya say, what ya say, yeah) Yeah yeah yeah yeah So come on baby do
it to me good now
Do it to me slowly (come on baby)
Be the one and only (ah ah yeah)
And do it to me right now (And be the one and only)
And come on baby do it to me good
Do it like you should (oh yeah)
Like you said you would (ah ah yeah)
And do it to me right now (do it to me right now)
So come on baby do it to me good now
Do it to me slowly (slowly)
Be the one and only (Oh yeah)

And do it to me right now!
