Crazy

the phonograph

Lately, I can't sleep at night
I can't turn off my mind
You've got me goin' in circles
When you're not around me
I just keep thinking

What my life would be without you
Isn't it crazy
Like I'm on a string
Make me dance and sing

And when you feel like some lovin'
You turn on my music
You give me hope and then you're gone
I feel so helpless

Isn't it crazy
Totally crazy
You touch my hand
And make my temperature rise

You get me goin'
With that look in your eyes
Holding on,
I'm holding on

Your love keeps killing me I go willingly
Crazy
And baby I love you
Like nobody loves you

I only wish that loving you was not so easy
Isn't it crazy
Totally crazy
You touch my hand

And make my temperature rise
You get me goin'
With that look in your eyes

Holding on,

I'm holding on
Your love is killing me
I go willingly crazy
Crazy over you

Look what love can do
Can make you act like a baby
Isn't it crazy
Why do I go on

It's out of control now
Isn't it crazy
