I Never Cry (Remastered Version)

Alice Cooper

If there's a tear on my face
It makes me shiver to the bones it shakes me, babe
It's just a heartache that got caught in my eye
And you know, I never cry
I never crySometimes I drink more than I need
Until the TV's dead and gone
I may be lonely but I'm never alone
And the night may pass me by
But I'll never cryTake away, take away my eyes
Sometimes I'd rather be blind
Break a heart, break a heart of stone
Open it up but don't you leave it alone'Cause that's all I've got to give you
Believe me babe, it ain't been used
My heart's a virgin, it ain't never been tried
And you know I never cry
And you know I never cry
And you know, you know, you know, you know
That I never cry, I never cryBreak a heart, break a heart of stone
Open it up but don't you leave it alone'Cause that's all I've got to give to you
Believe me babe, it ain't been used
My heart's a virgin, it ain't never been tried
And you know I never cry
I never cry
