

Pushin' Me Away

Jonas Brothers

Run like you do
I'm chasing you
I'm on your tail I'm gaining fast
You're going nowhere Try to fix what you've done
Turn back the time
The night is calling
And we're falling faster now Pushing me away
Every last word
Every single thing you say
Pushing me away
Try to stop it now but it's already too late Pushing me away
If you don't care than say it to my face
I'm pushing me away
You push push, pushing me away Stop, tell me the truth
'Cause I'm so confused
Spinning round, these walls are fallin' down
And I need you More than you know
I'm not letting go
Getting close
So take my hand
And please just tell me why you're You're pushing me away
Every last word
Every single thing you say
Pushing me away
Try to stop it now but it's already too late Pushing me away
If you really don't care than say it to my face
Pushing me away
You push push pushing me away Push push pushing me away
You push push pushing me away
You push push pushing me away
You push push pushing me away You push push pushing me away
You push push pushing me away
You push push pushing me away Pushing me away
Every last word
Every single thing you say
Pushing me away
Try to stop me now but it's already too late Pushing me away
If you don't care than say it to my face
Pushing me away

You push push pushing me away Pushing me away
