High (Unplugged)

Ambeon

Fade out the candlelight
Look at the shadows on the walls
Just follow your heart
You've waited long enoughDon't turn me down and say you won't
Cause then you'd lie to me
And no, you cannot lie to me
I would see[Chorus:]
And now I know it is time to possess your mind, whole
And now I know it is time to give away what I savedI've got the feeling that it will be this time
I've got the feeling that it won't be right, won't be wrong
I've got the feeling you're arousing my senses
I've got the feeling that I have to feel, have to feel[Chorus:]And you will take me, high, so high
And you will take me, high, so high
So high
So high
High
High
