

Listen Hear

Maxwell

Hmm, hmm
Listen, hear, baby
Listen close, hear
'Cause nothing here is gone
The thing still strong
Whenever things go wrong
Whenever things go left
You can be in charge
'Cause I won't regret the way that I feel yet
And nevertheless, I'm here for you
And you're the one, the only thing that makes me want to stand up for you and me
To stand up for you baby 'Cause nothing is wrong
Nothing is wrong
Everything's right
We're gon' be strong
We gon' be strong Listen hear
Pay attention, my dear
Open your eyes, see me more clear
I'm confusing at times, sometimes I might lie
I'm scared and I'm shy
To show you just how weak I am
'Cause sometimes I am not the kind of man I would like to be Can't you see
I'm scared, afraid
Destroyed be everything that I might, I might un-make
