

# Where There's A Will

Sass Jordan

You been holding up your banner  
Saying who's the master planner  
Who's the cat that got me in this hole?  
Everytime you wish for something  
You have set the wheels to running  
Hold on tight cause it's the ride you chose  
But if you want her to love you  
Your gonna get what you give out in the meantime  
Make damn sure that you know what you want  
Cause that's what you'll get[Chorus :]  
Careful what you wish for baby  
It will all come true someday  
Listen hard to every word that you want to say  
Where there's a will there's a way  
Everything is made for changing  
We spend lifetimes rearranging  
Hopes and dreams that don't turn out like we planned  
Cause what you think it is, is one thing  
But how it feels when you get it is another  
Make damn sure that you know what you want  
Cause that's what you'll get[CHORUS]  
Everything you see  
Isn't what it seems  
But you'll get what you need
