Karmically Close

Alisha's Attic

Yes it's true, I've been waiting for a sign
Something that I could've grab onto
It's a ploy, it's reliant on you, boy
Would you let me? Would you let me, please?
I wonder, I don't know what you're thinking
Have you checked my aura, are we karmically close?
When you sleep, do you dream of me?
When you're awake, where do you wanna be?
Have you checked my aura, are we karmically close?
Karmically close
(I don't know, I don't know, I don't know, I don't know)
(Hey, yeah)
Yes, that's right
(Well that's right)
I've got a pop life
And my soul is wretched and jaded
Would you care? Can I get you unaware?
Are you decided, or undecided?
(Ooo ooo, yeah)
I wonder, I don't know what you're thinking
Have you checked my aura, are we karmically close?
When you sleep, do you dream of me?
When you're awake, where do you wanna be?
Have you checked my aura, are we karmically close?
Karmically close
(I don't know, I don't know, I don't know, I don't know)
Ooo, corruptible you
Ooo, I got to get you
Look inside here I am open don't you feel it too?
Irresistible you, ooo, I got to get you
Look inside, do you see anything?
I wonder, I don't know what you're thinking
Have you checked my aura, are we karmically close?
When you sleep, do you dream of me?
When you're awake, where do you wanna be?
Have you checked my aura, are we karmically close?
I wonder, I don't know what you're thinking
Have you checked my aura, are we karmically close?
When you sleep, do you dream of me?

When you're awake, where do you wanna be?
Have you checked my aura, are we karmically close?
(I don't know, I don't know, I don't know, I don't know)
Karmically close
(I don't know, I don't know, I don't know, I don't know)
(I don't know, I don't know, I don't know, I don't know)
Karmically close
(I don't know, I don't know, I don't know, I don't know)
