## Santo, Johnny

Dream, dream Damaged, do you see through the scream?  
Damaged but I know I will survive  
Damaged but I guess I'll move on Dream, dream  
Live this life before your soul's a small grain in the sky Just keeping it, keeping it on  
Just keeping it, keeping it on  
Just keeping it, keeping it on  
Just keep it, keep it, keep it on, just keeping it, keep it Dream, dream  
Live this life before your soul's a small grain in the sky Damaged, do you see through the scream?  
Damaged but I know I will survive  
Damaged but I guess I'll move on Too many people, too many dreams now, too many dreams now  
I'm gonna come out now, I'm gonna come back now Dream, dream  
Live your life before your soul's a small grain in the sky  
Dream, dream  
Live your life before your soul's a small grain in the sky
