Juicy Lucy

The Getaway People

Why you never trusted me I fully understand
You never liked me jammin' with yo' brothers fonki band
You build your trust on honest of which I ain't got none
If you can't keep up with me then baby I'll be gone
This little girl's for takin' so take her if you can
Y' better be sure to treat her good or she'll find another man
This little girl's for takin' so take her if you can
Y' better be sure to treat her good or she'll find another manI got Juicy Lucy on my mind
Juicy Lucy all the time
Juicy Lucy on the line
Give it to me Lucy one more timeMan know my conscience is sittin' pretty neat
I never once made out to be no pretty Mr. Petite
'Cause this little girl's for takin', so take her if you can
You better be sure to treat her good or she'll find another man
