Fast Cars

Craig David

Fast cars, fast women, speed bikes with nitro in 'em
Dangerous when driven, those are the types that I'll be feelin'
Fast cars, fast women, speed bikes with nitro in 'em
Dangerous when driven, those are the types that I'll be feelin'
Sittin' there while I observe, I like your lines, I love your curves
Checkin' out your bodywork, how can I get with her?
You're the one that I want, do anythin' to turn you on
Somebody please, just pass the keys so you can take a ride with me
I'm on a mission, first thing disarmin' your system
Next thing slip the key in the ignition, just listen
To the way that you purr at me you know you prefer the speed
When your back starts dippin'
Wheel spinnin' when the gears start shiftin'
I'm stickin' till the turbo kicks in, you know that I'm missin'
Got me movin' so fast you got me missin' the flash of 5.0
Fast cars, fast women, speed bikes with nitro in 'em
Dangerous when driven, those are the types that I'll be feelin'
Fast cars, fast women, speed bikes with nitro in 'em
Dangerous when driven, those are the types that I'll be feelin'
Feel the ride, feel the rush, the moment I tease your clutch
Reactin' to my every touch, when shiftin' down or tearin' up
I don't care where we go, to burn you out's the end result
You're dealin' with a professional, I'll spin you round just to let you know
I'm on a mission, first thing disarmin' your system

Next thing's slip the key in the ignition, just listen
To the way that you purr at me you know you prefer the speed
When your back starts dippin'
And I'm unaware of the limits I'm hittin'
Blurred vision and a critical condition, could blow the transmission
Got me movin' so fast you got me missin' the flash of 5.0
Fast cars, fast women, speed bikes with nitro in 'em
Dangerous when driven, those are the types that I'll be feelin'
Fast cars, fast women, speed bikes with nitro in 'em
Dangerous when driven, those are the types that I'll be feelin'
Body like a race car, you got the curves like a Jaguar
Acceleration like a Yamaha
I like the way you perform girl, when I'm turnin' you on
Feel it when I revving ya, smoother than a Daimler

You handle like a Lancia
I like the way you perform when I'm turnin' you on
Fast cars, fast women, speed bikes with nitro in 'em
Dangerous when driven, those are the types that I'll be feelin'
Fast cars, fast women, speed bikes with nitro in 'em
Dangerous when driven, those are the types that I'll be feelin'
Fast cars, fast women, speed bikes with nitro in 'em
Dangerous when driven, those are the types that I'll be feelin'
Fast cars, fast women, speed bikes with nitro in 'em
Dangerous when driven, those are the types that I'll be feelin'
