Mrs. Johnson

Toto

Know these words are wrong to say
Need you more and more each day
(Chorus:)
Hey Mrs. Johnson
Give me your answer as fast as you can
Hey Mrs. Johnson
Don't you know I really love you
Here's my life, it's yours today
Help me chase the blues away

(Repeat chorus)
(Instrumental break)
Know these words are wrong to say
Need you more and more each day
(Repeat chorus two times)
