Time to Bring the Pain

Krypteria

Me the hunter, you the prey, I got you in my sight
Licking my chops the wait is over and the time's just right to strike
Let's go, no more toying around anymore, let's go

Time for me to bring the pain - venatrix appropinquit
Time to teach you bout the feeling when your heart's being ripped out Time for me to bring the pain - venatrix appropinquit
Time to finish what you started in the past right here right now

I am quickly closing in on you, I put an end to this affair
And you won't have a clue what hit you as I'm already there
Let's go, no more toying around anymore, let's go

Time for me to bring the pain - venatrix appropinquit
Time to teach you bout the feeling when your heart's being ripped out;
Time for me to bring the pain - venatrix appropinquit
Time to finish what you started in the past right here right now

Idcirco ecce ego extendam manum meam super te et tradam te in direptionem gentium
Et interficiam te de populis et perdam de terris et conteram
Let's go, no more toying around anymore, let's go

Time for me to bring the pain - venatrix appropinquit
Time to teach you bout the feeling when your heart's being ripped out Time for me to bring the pain - venatrix appropinquit
Time to finish what you started in the past right here right now

How do you feel now that you feel the pain that you made me feel ?
