

# Asking Jessica To Be Official

## Hellogoodbye

La la la la la la la la la  
(geeze your stupid, we're trying to write a song here!)  
In my bedroom dancing all night long  
Is when i knew nothing could go wrong  
You'd be the girl who's always on my mind  
We're unofficial now I think its time  
Maybe you and I-I-I (could be so much more)  
Say you will be mi-i-ine  
And I will be yours  
Oh Jessica, Oh won't you be  
My girlfriend, officially  
Oh Jessica, Oh won't you be  
My girlfriend, officially  
"I think she'll like it"  
"yeah"  
"I dont think she'll get it"  
"As in earth to Jessica"  
"Its not like we're actually saying like the planet earth is calling you like Hello Hello.. OH SNAP!"  
Earth to Jessica, Ryan wants to be your boyfriend.
