

I Lived (Glee Cast Version)

Glee Cast

Will:

Hope when you take that jump
You don't feel the fall

Will with Sam:

Hope when the water rises
You built a wall

Artie:

Hope when the crowd screams out
They're screaming your name

Artie with Sam:

Hope if everybody runs
You choose to stay

Rachel (with Mercedes):

I hope that you fall in love
(And it hurts so bad)

Mercedes:

Yeah

Rachel:

Oh

Rachel (with Mercedes):

The (only way you can know)
You give it (all you had)

Mercedes:

Hey, yeah

Blaine:

And I hope that you don't suffer
But take the pain

Blaine with Kurt:

Hope when the moment comes

You'll say

Roderick with Rachel and the Cast of Glee (Roderick with Rachel):

I, I did it all

I, I did it all

(I) owned every second that this world could give

(I saw) so many places, the things that I did

(Yeah) With every broken bone

I swear I lived

Sam:

Hope that you spend your days

But they all add up

Mercedes and Sam:

Ooh

And when that sun goes down

Hope you raise your cup

Ooh

Blaine with Kurt:

I wish that I could witness

All your joy and all your pain

Blaine and Kurt:

But until my moment comes

I'll say

Roderick with Rachel and the Cast of Glee (Roderick with Rachel):

I, I did it all

I, I did it all

(I) owned every second that this world could give

(I saw) so many places, the things that I did

(Yeah) With every broken bone

I swear I lived
