Banquet

Bloc Party.

A heart of stone, a smoking gun
I can give you life, I can take it away
A heart of stone, a smoking gun
I'm working it out, I'm workingFeel so underrated
Why'd you feel so negated?Turning away from the light, becoming adult
Turning into my soul
I wanted to bite, not destroy, to feel her underneath
Turning into the lightShe don't think straight
No no no, she don't think straightShe got such a dirty mind and it never ever stops
And you don't taste like her and you never ever will
And we don't read the papers, we don't read the news
Heaven's never enough, we will never be fooledTurning away from the light, becoming adult
Turning into my soul
I wanted to bite, not destroy, to feel her underneath
Turning into the lightTurning away from the light, becoming adult
Turning into my soul
I wanted to bite, not destroy, to feel her underneath
Turning into the lightAnd if you feel a little left behind
We will wait for you on the other sideAnd if you feel a little left behind
We will wait for you on the other sideTurning away from the light, becoming adult
Turning into my soul
I wanted to bite, not destroy, to feel her underneath
Turning into the lightTurning away from the light, becoming adult
Turning into my soul
I wanted to bite, not destroy, to feel her underneath
Turning into the light
