## Bloc Party.

A heart of stone, a smoking gun  
I can give you life, I can take it away  
A heart of stone, a smoking gun  
I'm working it out, I'm working Feel so underrated  
Why'd you feel so negated? Turning away from the light, becoming adult  
Turning into my soul  
I wanted to bite, not destroy, to feel her underneath  
Turning into the light She don't think straight  
No no no, she don't think straight She got such a dirty mind and it never ever stops  
And you don't taste like her and you never ever will  
And we don't read the papers, we don't read the news  
Heaven's never enough, we will never be fooled Turning away from the light, becoming adult  
Turning into my soul  
I wanted to bite, not destroy, to feel her underneath  
Turning into the light Turning away from the light, becoming adult  
Turning into my soul  
I wanted to bite, not destroy, to feel her underneath  
Turning into the light And if you feel a little left behind  
We will wait for you on the other side And if you feel a little left behind  
We will wait for you on the other side Turning away from the light, becoming adult  
Turning into my soul  
I wanted to bite, not destroy, to feel her underneath  
Turning into the light Turning away from the light, becoming adult  
Turning into my soul  
I wanted to bite, not destroy, to feel her underneath  
Turning into the light
