Fellowship

Me'Shell NdegÃ©ocello

Would you walk
A righteous path
Without the promise
Of heaven,
Paradise
Streets paved in gold?

would you slay
Your sister,
Your brotherman
For another man's greed?

'cause if you believe that your god
Is better than another man
How we gonna end
All your suffering?
'cause if you believe that your god
Is better than another woman
How we gonna end
All your suffering and strife?

(from the book of Bob)
You believe
Great god gonna come from the sky
Take away everything,
And make everybody feel high
But if you know what life is worth
You'll look for your's here on earth
. . . it's at hand

'cause if you believe that your god
Is better than another man
How you gonna end
All your suffering?
'cause if you believe that your god

say, I believe

may I find
Forgiveness and Love

May I find
Forgiveness and Love

I believe
Let faith guide you
Forgiveness and Love
'cause I believe that
Let light guide you

forgiveness and Love
Forgiveness and Love
Forgiveness and Love
Forgiveness and Love.
