

# Prime Of Your Life

## Loverboy

The world's at your feet when you're young and in fashion  
You're on the move, don't you stop for too long  
Don't turn your back, keep your hand on the action  
Just like a heart beat, it's here and it's gone  
It's the prime of your life gotta make it last  
It's the sign of the times comin' up so fast  
It's the prime of your life gotta make it last  
It's the prime of your life  
You're not ashamed of the lies and deception  
You're not afraid of the shape you're in  
You're not opposed to a change in direction  
Life is a game, you play to win  
It's the prime of your life gotta make it last  
It's the sign of the times comin' up so fast  
It's the prime of your life gotta make it last  
It's the prime of your life

Gotta give me a sign

The world's at your feet when you're young and in fashion  
Stay on the move, don't you stop for too long  
Don't turn your back, keep your hand on the action  
Just like a heart beat, it's here and it's gone  
It's the prime of your life gotta make it last  
It's the sign of the times comin' up so fast  
It's the prime of your life gotta make it last  
It's the prime of your life comin' up so fast  
It's the prime of your life  
It's the prime of your life  
It's the prime of your life  
It's the prime of your life
