The Misfits (Static age, 1978)

Well, we land in barren fields
On the Arizona plains
The insemination of little girls
In the middle of wet dreamsWe are the angel mutants
The streets for us seduction
Our cause unjust and ancient
In this B film born invasionTeenagers from Mars
And we don't care
Teenagers from Mars
And we don't care
Teenagers from Mars
And we don't careWell, we've seen your 3D movies
In violent abduction
We blast your mindless structure
Inferior connectionWe take your weak resistance
Throw it in your face
We need no introduction
For mass annihilationTeenagers from Mars
And we don't care
Teenagers from Mars
And we don't care
Teenagers from Mars
And we don't careWell, we need no introduction
No visas or carte blanche
Inhuman reproduction
We're here for what we wantWe want, we need it, we'll take it
We want, we need it, we'll take it
We want, we need it, we'll take it
We want, we need it, we'll take it, babyTeenagers from Mars
And we don't care
Teenagers from Mars
And we don't care
Teenagers from Mars
And we don't careTeenagers from Mars
And we don't care
Teenagers from Mars

Teenagers from Mars
And we don't careAnd we don't care

And we don't care, we don't care
