

Rumble In Brighton

The Cat Yanks

Well there's the Rockabilly cats with their pomps real high
Wearing black drape coats, all real gone guys
The cool skinheads with roll up jeans
Looking real tough and mighty mean
There's a rumble in Brighton tonight
Ringside seats for the neighborhood fight
There ain't a damn thing that the cops can do
There's a rumble in Brighton tonight
They sew fish hooks under their collars
They got razors in their shoes
I said, "Go cat go, go" is their battle cry
World war three is starting to brew
Well, the skinheads all use black jacks
And they're looking mighty mean
They got chains wrapped around their fingers
And their heads are all shaven clean
Well there's a rumble in Brighton tonight
Ringside seats for the neighborhood fight
There ain't a damn thing that the cops can do
There's a rumble in Brighton tonight
Well there ain't a man left standing
So let's all go get a beer
No team is a winner
We'll then see you all next year
Well there's a rumble in Brighton tonight
Ringside seats for the neighborhood fight
There ain't a damn thing that the cops can do
There's a rumble in Brixton tonight
Rumble in Brixton tonight
Rumble on the beach tonight
Rumble in Brixton tonight
Rumble on the streets tonight
There ain't a damn thing that the cops could do
So line back up for a side line view
Ringside seats for the neighborhood fight
There's a rumble in Brixton tonight
