

# Home Again

## New Edition

I've been away for much too long  
I hope you still feel I belong  
I didn't mean to cause you pain  
Nothin' to lose, much more to gain  
So can you stand the rain? Just when I thought that we were through  
I found my way right back to you  
I can't change what happened in the past  
And won't promise this time it would last  
Can you stand the rain?  
Can you stand the rain? So on the story goes  
Heaven only knows  
The road of life will turn  
A lesson we will learn  
And no one knows  
But fate how we'll end People who know  
They say, "You can't go"  
Home again  
But if you ask me  
I'm happy to be home again I stand here all alone confused  
'Cause I like living with or without you  
Will our story end  
Like a fairy tale  
Or just another heartbreak  
Only time will tell So on the story goes  
Heaven only knows  
The road of life will turn  
A lesson we will learn  
And no one knows but fate how we'll end People who know  
They say, "You can't go"  
Home again  
But if you ask me  
I'm happy to be home again  
(Home again) No matter where  
No matter how  
No turnin' back  
No stoppin' now  
'Cause we may never ever pass this way again  
Just give me one more chance  
Let me come home again So on the story goes

Heaven only knows  
The road of life will turn  
A lesson we will learn  
And no one knows but fate how we'll end  
People who know  
They say, "You can't go"  
Home again  
But if you ask me  
I'm happy to be home again  
So now you kinda understand the story, right  
Me and the fellas tryin' to bring this back together  
Just like old times  
Ya'll know when it used to be  
Ronnie, Bobby, Ricky, Mike, Ralph, Johnny  
Take it back like that  
So fellas, let's take this record home  
And this time, let's stay there
