V.I.P. (feat. Nate Walka)
(F.Lucio/I.Bauza/N.Walker)

INTRO

Used to be my Miss Barcelona
Yeah, yeahâ€™oh!
I messed up, Iâ€™m sorry
Used to be my Miss Barcelona
I know itâ€™s been a while
But forget & forgive baby
I donâ€™t want you back, I need you back

VERSE 1

All the time I spent by
Living in the past
Is something I could never get back
You traded love for envy
Discarded all of me
All the love I had you set free

PRE-CHORUS 1

Now youâ€™re friendrequesting me
Say you saw me on TV
I always knew that I would reach the top
Now is meant to be
Now you got me so confused
â€™Cause it was you who cut me loose
Remember when you didnâ€™t say goodbye?
No more you and I

CHORUS

And now you say youâ€™re free
Whatâ€™s that supposed to mean?
I know you want me V.I.P.
And now youâ€™re so upset
â€™Cause I am not impressed
I know you want me V.I.P.

VERSE 2

Look at what youâ€™re missing
Too late to rewind

Funny how things turned out this time for you
Bittersweet confession
Must be hard for you to believe
That youâ€™re obsessed with the nerdy girl
And not the prom queen, oh yeah

PRE-CHORUS 2

Another comment on my wall, my status & my blog
Following my every twit
Damn, like, donâ€™t you ever sleep?
Now you got me so confused
â€™Cause it was you who cut me loose
Remember when you didnâ€™t say goodbye?
No more you and I

CHORUS (x2)

NATE WALKA RAP

CHORUS

OUTRO

I know you want me,
You know you want me
Well, too bad
Ouh, isnâ€™t it ironic?
Isnâ€™t it ironic that youâ€™re coming back to me now?
Uhm, I donâ€™t think soâ€™l
Security please
