Going Home

Libera

Going Home, Going Home, I am going home. Quiet like some still day. I am going home!
It's not far just close by, through an open door. Work all done, care laid by. Never fear no more!
Mother's there expecting me! Fathers waiting too! Many faces gathered there! All the friends I knew.
I'm just going Home!
No more pain! No more fear! No more stumbling by the way, no more longing for the day! Going to run no more!
Morning star lights the way, restless dreams are gone. Shawdows gone! Break of day! Real life has begun.
There's no break theres no end! Just living on. Wide awake with a smile! Going on and on! (Going on and on)
Going Home, Going Home! I am going home! Shawdows gone, break of day! Real life has begun!
I'm just going home.
