

# Meeting Tonight

## The Mighty Clouds of Joy

Leader -- (Choir)

There's gonna be a meeting (meeting tonight) come on  
Old-fashioned meeting (meeting toni-i-ight)  
Meeting on the old (meeting on the oh-oh-oh-oh-old)  
Campground (doo-doo-doo)  
There's gonna be a meeting (meeting tonight)  
People gonna get together and have a good time (meeting toni-i-ight)  
Talking bout a meeting (meeting on the oh-oh-old campground, doo-doo doo-doo)

Let me say it again  
There's gonna be a meeting (meeting tonight)  
Old-fashioned meeting (meeting toni-i-ight)  
Meeting on the old (meeting on) yeah (the oh-oh-oh-oh-old)  
Campground (doo-doo-doo)  
Hey, talking bout a meeting (meeting tonight)  
Somebody gon' get up and speak in tongue tonight (meeting toni-i-ight)  
Talking bout a meeting (meeting on)  
The old (the oh-oh-old campground)  
Let me sing this verse right here (doo-doo doo-doo)

Verse

Listen

Singing bout ama- (doo-doo-doo) -zing grace (doo-doo-doo)

Like me (doo-doo-doo) oh yeah (doo-doo-doo)  
Hey, I once (doo-doo-doo) was lost (doo-doo-doo)  
Oh right now (doo-doo-doo) I'm found (doo-doo-doo)  
Going to a meeting (meeting on the oh-oh-old campground)

Oh (doo-doo doo-doo)  
Gonna be a meeting (meeting tonight)  
People gon' get together and have a good time (meeting toni-i-ight)  
Meeting on the old (meeting on) yeah (the oh-oh-oh-oh-old)  
Campground (doo-doo-doo) yeah

Somebody need to clap their hands (meeting toni-i-ight)  
Talking bout a meeting (meeting on)

Hey (the oh-oh-old) ohhhhhhh (campground, doo-doo doo-doo) oh

We're meeting (at the meeting)  
At the meeting (at the meeting)  
Did you come to the meeting (at the meeting)  
If you came to the meeting (at the meeting)  
Get out of that seat (at the meeting)  
Clap your hands (at the meeting)  
Let's have (at the meeting)  
A mighty, mighty good time (at the meeting)  
At this meeting (at the meeting)  
Won't you (at the meeting)  
Tell your neighbor (at the meeting)  
Don't sit down (at the meeting)  
'Cause we're at the meeting (at the meeting)  
Talking bout a Holy Ghost meeting (at the meeting)  
Some people get happy (at the meeting)  
And they run (at the meeting)  
Others speak yeah (at the meeting)  
Unknown tongue (at the meeting)

Meeting (meet-ing) meeting (meeting)  
Meeting (meet-ing) meeting (meeting)  
Meeting (meet-ing) talking bout a meeting (meeting)

I'm gon' shout (at the meeting)  
At the meeting (at the meeting)  
I'm gon' sing (at the meeting)  
At this meeting (at the meeting)  
We came all the way (at the meeting)  
From California (at the meeting)  
To be at the meeting (at the meeting)  
Anybody feel good (at the meeting)  
At this meeting (at the meeting)  
If you feel good (at the meeting)  
I need some Holy Ghost folk (at the meeting)  
Won't you to come on down (at the meeting)  
I wanna shake your hand (at the meeting)  
We came to this meeting (at the meeting)  
Can you come on down (at the meeting)  
Talk about a Holy Ghost meeting (at the meeting)  
At the meeting (at the meeting)
