

# One

Carole King

Poetic phrases come to mind  
Whenever I find injustice being done  
And I wonder, what am I gonna do  
What can one do except to be one  
Talking to two, touching three  
Growing to four million  
Each of us is one-all of us are one I go through phases when I realize  
It wouldn't be wise to try and bring it down  
And I wonder, what am I gonna do  
What should one do except just be around  
Staying alive, putting out love  
Growing to five billion  
Each of us is one-all of us are one Open your heart and let the love come shining through  
And you will do what you need to do  
To know just where the other you is coming from  
He is one-she is one  
A tree is one-the earth is one-the universe is one  
I am one-we are one It just amazes me that I can be  
Part of the energy it takes to serve each other  
And I wonder what am I gonna do  
What can one do  
Except be one  
Each of us is one-all of us are one  
We are one  
What am I gonna do  
Be one
