

Takeover

(Hed) P.E.

This a takeover
So get your hands up
For the power and the pussy
We don't givafuk about haters like you
I seen it all my life
Still I get up - Stand up - Don't give up the fight!!
I'ma bitch slap pop these mothafuckas in they mouth
So step up bitch
Cuz I'm fed up with these fake ass pussies
No rest - Never let up Boom - How you like me now? You bite my flow, my lyrics, my hooks, my style
But unh!!
Nigga I stay buckwild, cuz I don't DGAF about you
No! You will never take away the heart that beats
And the black flag that wave
The heart of the streets - That's me
But you gay - You so gay you like emo goddamnit
Bitch! Pussy! It's a crime - It's a shame
You not a Juggalo!
You a lie! You so lame!
This a family
From Detroit to LA
And we DGAF about shit This a takeover... I'm a monsta
Baby I devour
Your ass - That face - That pussy I got the power to make your pussy flower
I stay hard for hours
I rock that vagina
Go home and take a shower mommy I'm a take, break - Rape this 90 pounder
Damn!
I grab her by the throat, rope, choke hold and pound her
Damn!
Just how she like it
I bite it - Ride it - The write about it When I'm done - I pull it out she put it in her mouth
Ew!
I let her climb aboard
Cuz she's my little whore
I let her drink it up
Cuz she's my little slut
She like to dress up
When I'm inside she flex it up

She DGAF about shit! This a takeover! It's all over
It's all fucking over... Can we begin again?
